

The Boston Region Metropolitan Planning Organization (MPO) will host an Open House on Wednesday, July 22. The Open House is an opportunity for the MPO staff to update the public and receive feedback on the work being conducted by the MPO.

The Open House will include presentations on the following topics:

- Draft Unified Planning Work Program
- MetroFuture results and implementation plan
- Updates on the 2010–2013 Transportation Improvement Program (TIP) and JOURNEY TO 2030 Transportation Plan Amendment
- Upgrades to the Boston Region MPO's travel demand model

A highlight of the Open House will be a presentation about new and ongoing studies to be conducted by the MPO's staff during the upcoming federal fiscal year (FFY). These studies are included in the Unified Planning Work Program (UPWP), which is an annual document that programs transportation planning projects to be conducted within the Boston metropolitan region during a given federal fiscal year. The Boston Region MPO has released the draft FFY 2010 UPWP for a 30-day public-review and comment period beginning July 6 and ending August 4.

The draft FFY 2010 UPWP can be obtained at the MPO's website, [www.bostonmpo.org](http://www.bostonmpo.org), or by one of the means below. Copies of the UPWP will be available in CD, print, and accessible formats.
